

UNIT 1 — Celtic Languages

WORKSHEET 1: CELTIC LANGUAGES

Working in small groups, discuss each of the questions below and record your answers in the text box.

When requested, report your answers back to the group.

- Did you find any of the information regarding the history of Celtic languages surprising? Please state a reason for your answer.
- It is very likely that you use Celtic words in everyday conversation. Can you identify any of these words?
- Do you think that knowing the history of Celtic languages would encourage more people to learn how to speak them? Please state a reason for your answer.
