

UNIT 2 — How old are these languages?

WORKSHEET 2: How old are these languages?

Working in small groups, discuss each of the questions below and record your answers in the text box.

When requested, report your answers back to the group.

- Does it surprise you that old Irish is one of the oldest languages in the world today? Why/why not?
- Why do you think the Celtic languages have survived for so long?
- How can people ensure that language and other traditions of culture are continued and preserved?
