

UNIT 2 — Cultural Identity

WORKSHEET 3: YOUR IDENTITY

This worksheet supports the first exercise in Unit 2 of the resource.

Working in small groups, take 5 minutes to discuss together the things that you think are important to your cultural identity and why they are important.

When you have discussed this, use the worksheet to note down:

- What is your cultural identity?

- What determines your cultural identity?

- Is it possible for your cultural identity and heritage to change? How and why can this happen?

Report back to the group when requested to.
